

MINUTEMAN PRESS VACCANCIES

We are a small but busy print shop being part of the Worlds largest design and print franchise network. We offer unique opportunities in our friendly work environment and we are occasionally looking for happy and committed people with the right skills to be part of our team.

Periodically we have requirements for new staff in the areas of:

- Digital Print Production
- Print Shop Assistants
- Finishing & Binding
- Graphic Design & Pre-Press

Minuteman Press generally favour applicants who are skilled in the requirements of the role. However, we will also consider applicants who have some of the basic experience but can also demonstrate an ability to learn the role quickly as some training can be given.

Minuteman Press is also prepared to give consideration to a number of different flexible working arrangements which might encompass full time or part time hours.

We welcome you at any time to tender your expressions of interest and CV or Resume in the event that any of these positions become available. These can be sent to owner@mpop.com.au or call Peter on either 9440 3211 or 0401 646 077
